Stewardship Thought: "So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." (GENESIS 2:19)

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

Help Appreciated: If anyone would like to participate in the Mass by being a Lector or Server, you are encouraged to call Karen Klodt at 716-345-3867 or mkklokt@gmail.com or Vickie Takacs at 330-322-7908 or victak@hotmail.com. Excellent, personalized training and mentoring will be provided as long as necessary. Please consider serving.

Joseph's devotion helps reveal to us our own call to show special care for the lives of those whom God has entrusted to us."
