Jesus uses tough language that we may not want to hear. But we are all called to be generous with all of our gifts. Not just the ones we pick and choose, but all our gifts, and especially the one that means the most to us! That includes our time in prayer to God, our talent in participating in parish ministries and our treasure supporting our local parish and other charities.

**Help Appreciated:** If anyone would like to participate in the Mass by being a Lector or Server, you are encouraged to call Karen Klodt at 716-345-3867 or [mkklokt@gmail.com](mailto:mkklokt@gmail.com) or Vickie Takacs at 330-322-7908 or [victak@hotmail.com](mailto:victak@hotmail.com). Excellent, personalized training and mentoring will be provided as long as necessary. Please consider serving.

Your generosity makes it possible for local priests, religious, and catechists to reach out to communities, families and children in desperate need, bringing the light of Christ to the darkest of circumstances. Life-changing help is provided to mission churches in territories covering more than half the globe.

**Word of Life:** "An old Irish proverb says, 'It is in the shelter of each other that the people live' Indeed we are created to depend upon one another and walk together in suffering. But when family members or friends approach life's end, we may not know how best to 'shelter' them. Here are some concrete ways we can compassionately care for them: [usccb.org/end-of-life-care](https://usccb.org/end-of-life-care)."

**Save a Live, Contact Congress:** Congress is trying to force Americans to pay for abortion. The Hyde Amendment and similar laws have protected taxpayers from funding elective abortion for 45 years. Now, powerful members of Congress want to take away these laws that both Democrats and Republicans have supported for nearly half a century. Without these protections, billions of taxpayers' dollars could be used to pay for abortion. Sign the petition to Congress at [www.nottaxpayerabortion.com](http://www.nottaxpayerabortion.com).
